PROCTORIAN '79

Proctor High School Proctor, Vermont

Hello to 1979!

Twenty-five years ago Proctor High School was a brand new building. Approximately 123 students, grades 7 — 12, filed into their new school in September of 1953. The year must have been an exciting one for sure. Everything they did was the first time it had been done in the new school. The year 1978-1979 was just as exciting to PHS students though. September brought nearly 255 students to the doors of the 25-year-old building. Most of those students were just as proud of the building and excited about what it had in store for them as their parents had been in 1953...

Twenty-five years ago

Today — 1979

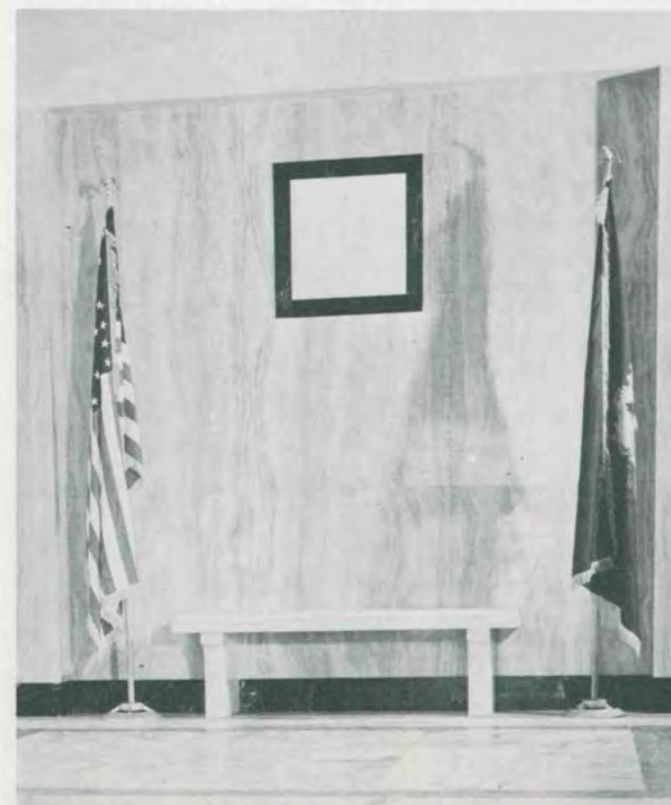

... For instance, Cathy and Nan Izzo were anticipating field hockey and basketball seasons as their mother, Rose-Marie Champine, had the year she was senior co-captain of the 1953 basketball team. Greg, Pat, Marie, and Sue Curtis were here as their father, Adrian, was 25 years before with Greg anticipating graduation and Sue wondering what the next six years would be like. Steve and Ken Burgess were here as their father Dean had been in 1953.

Yes, 1978-79 was an exciting year. Please come along; let's see exactly who was here and who made things happen.

The students of Proctor High School proudly dedicate the 1979 Proctorian to:

25 years of Proctor High School

and everyone who attended and/or graduated from Proctor High between 1954 and 1979.

Ernest A. Goodrich, Jr.

*In loving memory
of a young man
whose generosity, thoughtfulness
and concern for others has
enriched each and every one
of us who had the pleasure to
know and love him.*

My Will
If I should die
Remember me as I was
Be not sorrowful or sad
Speak of me freely
Don't hide me in your heart
Be but joyful
Remember not just the sad
But the happy moments we had
Show no tears on your face
For it's the way it had to be
Death was not my enemy
For I'll have no worries now
But please think of me
Once in awhile
For old times sake
Have but a good life
Love one another
And never forget,
I love you.

MY BROTHER
by Frank Goodrich

There is a family in Proctor who lost someone very dear to their hearts. The person they lost was their son and brother. The boy's name was Ernie. Ernie was twenty years old.

Ernie was a good looking boy. He had lots of friends, both in Proctor and out of town. He was special to a lot of people.

Junior High

Engaging grins and mischievous eyes are the never changing trademarks of seventh and eighth graders.

Junior high students sure have energy as you probably know if you have one in your house. We're sure not too many things were different between the junior high in 1954 and 1979. In '54 there were 42 students in the youngest two grades as opposed to this year's 58. These kids like to act the same as older kids. You'll see them in class and sports as real "big shots" when by themselves but as "little shots" when included in the high school activities.

Soccer and Field Hockey

The junior high soccer team, coached by Paul Wager, compiled a very respectable record of 8-4-2. Although the season got off to a slow start, a strong defense and improved offense resulted in a good team showing. With hard work and much practice time Coach Ann Young's field hockey team closed its season with a 5-4-1. With training and experience the girls became a very competitive field hockey team.

Basketball

An energetic group of 22 seventh and eighth grade boys, coached by Dave Lertola, ended the season with a 3-14 record. A second game to involve more seventh graders was played the majority of the time. Coach Nancy Curtis started the season with 6 girls and finished with 10 with a record of 5-9.

Activities

Enthusiasm has not waned although times have changed.

In 1954 the glee club, orchestra, and Sutherland were among the eight items on the agenda for extra-curricular activities. Most of us know, by looking at the hours we spend at school after classes, that there has been an increase. On the next 13 pages you'll see the original eight activities and many more before being introduced to our faculty.

Publications

The Sutherland and Proctorian staffs were active in their efforts to produce high quality student publications. Representatives from both attended the CSPA convention in New York City in March where they participated in vari-

ous seminars on layout, design, and editing of newspapers and yearbooks in addition to a photography workshop.

The Sutherland received an award for a second year for placing second in CSPA ratings.

Student Council

The Student Council accomplished much this year under the leadership of Pres. Greg Valloch. The candy sale was a big success with \$500 going to various school organizations. UNICEF raised its biggest total ever.

Several assemblies were scheduled with the generous financial help of the Vt. Council on the Arts. The first and

one of the most popular assemblies was a concert given by Rosen Schontz. Magician Steve Thomas performed mysterious illusions with student assistance. The last assembly was presented by the Parish Players.

Assembly Committee

National Honor Society

The Redfield Chapter of the National Honor Society inducted several new members: seniors Pat Smith, Erik Anderson, Sandi Senecal, Frank Weidman; juniors Kevin Jones, Greg Santoro, Sherry Wheeler, Diane Anderson and Ellie Socinski. Present members Debbie Trombley, Ellen Smith, Vicki Chapin, and Mary Cook, along with Roy Pilcher, Advisor, conducted an impressive program. The guest speaker was Lt. Governor Madeline Kunin. After the induction, all Honor Society members, parents, and guests socialized in the library over cookies and punch made and served by the Home Economics Department.

Music Department

The Music Department, under the direction of Reeta Coughenour, proved once again that PHS has a wide variety of talent and much versatility in its program.

The Christmas and spring concerts featured band and choral selections, several solos, and original musicals created and performed by the 7th grade music and art classes. The spring concert also featured a display of art work created by elementary and high school students.

A stage band was formed after the school year began which proved to be a hit with all audiences. They performed, along with the PHS band at Brandon Training School during the Christmas season.

With the arrival of spring came strains of music from outdoors as the band and majorettes marched around the school in preparation for their annual participation in several area parades.

PHS was the host for the '79 Spring Music Festival. Approximately 300 area students rehearsed for 2 days for a final festi-concert featuring stage and concert bands and chorus.

Karen Patch, an accomplished musician, was one of four alto sax players chosen from the state to play in the Vt. All-State Band, a big honor for Karen and PHS.

Winter Carnival

Winter Carnival officially began on February 15, with acts from several classes competing for three places. Senior Jay Farnham was MC for the show. The top prize winner was sophomore Patty Manning.

The Winter Carnival games included more indoor than outdoor activities because of the very cold weather. Ice events included hockey, relay and obstacle courses. Volleyball, floor hockey and ping pong were played indoors.

The Carnival Ball climaxed the three-day celebration with Ann Loso, escorted by Mike Fiske, selected as the festival queen.

The seventh grade was the overall winner of the Winter Carnival.

Gym Show

The third annual Gym Show, under the direction of Jean Crosby, was presented to a full house in the PHS gymnasium. Over eighty students gathered to perform routines on the floor, uneven bars, balance beam, side horse, mini tramp, rings, and parallel bars.

Service Organizations

Three active service organizations at PHS are the audio-visual and TV crews and library aides. The AV men can be seen delivering and searching for popular AV equipment. Library aides assist Mrs. Sherman with charging incoming and outgoing books and periodicals, shelf reading, and book

displays. The camera-shy TV crew, under the direction of Mortimer Brown, has televised basketball games and the gym show and aided in various teacher filmings. Members are W. Allard, R. Anderson, P. Lasky, J. Matusiak, S. Mitowski, J. Russell, U. Slansky, and L. Young.

Driver and Traffic Safety Education

The driver education program, supervised by Bruce Hansen and Roy Pilcher, is open to any student who is 15 by September 1 of the current school year. During the fall semester at least 30 hours of instruction are given in the classroom for an under-

standing of a student's responsibilities, his car, and driving laws. To qualify for the second phase each student must have a valid Learner Permit which gives him at least 6 hours of driving experience, usually after school hours.

Drama Club

The PHS Drama Club, under the direction of Ted Pendleton, succeeded once again in creating a moving one-act play entitled "Goodbye to the Clown." The play was one of six chosen to compete at the Regional Festival. Proctor was also one of the hosting towns in which some of the play festival participants stayed.

Close-Up '79

Ten PHS students joined about 250 other Vermont students in a trip to Washington, D.C., to receive a first-hand view of government in action. Participants attended seminars and workshops, met with Vermont's Congressional delegation, and toured Washington landmarks. It was an exciting and educational trip for all those involved.

Have times changed? Just look at how many more people are needed to run a school today. In 1954 a Principal, Secretary and Janitor and 14 teachers were sufficient to handle classes and activities. Now, besides having 20 teachers, the administration and staff employ 11 full or part-time people. All the staff will be seen on the 5 pages preceding the graduating class of 1979.

Seniors

Styles may change but tradition doesn't.

Well, here they are . . . the 25th graduating Class from Proctor High School. On June 7, 1979, nearly 50 seniors received diplomas in the PHS gym. Twenty-five years ago, in 1954, 17 seniors belonged to the proud class who were the first to leave this gym.

After viewing the seniors and reading their quotes and blurbs, don't skip the 9th — 11th grades.

High School Classes

Formality reigned 25 years ago; today's password is casual.

An average of 21 students per grade made up grades 9 — 11 the first year PHS was on Park Street. The increase to nearly 45 students per grade is attributed to the population increase and tuition students from Chittenden and Rutland Town. After seeing seven pages of the students during class, you'll discover them in action on the field, court, and diamond.

Freshmen

The class of 1982 showed its school spirit this year by taking first place in the candy sale for the third consecutive year. Dominating the sophomores they took a surprising second place in the Winter Carnival. They have raised their treasury to over \$800 in three years.

Same enthusiasm, but different skirt lengths.

The sports section of the 1979 Proctorian is dedicated with honor and deep appreciation to Mr. "A". Bob Abrahamson has been involved in Proctor High School Athletics since he first coached JV Boys Basketball, 14 years ago. As our Athletic Director he's seen 10 classes at athletes come and go, while putting 12 state championships under his belt, in three combined sports. Mr. "A" has been the good guy for scheduling a team for early practice and the bad guy for giving a team the 7:00 to 9:00 practice. He's been the bus driver to T&T field during fall and spring seasons, and the monitor at home basketball games, especially with rivals West Rutland and Otter Valley. He's stood behind his young boys' basketball team in the annual Peanut Bowl, Jr. High Boys vs. Varsity Girls, even though he's never had to push the walnut from one foul line to the other in the four years of the contest. Although the female athletes sometimes think he strives to be a male chauvinist and argue with him, they may ruin his image by telling him — he's come a long way; he may even have caught up to 1979 in his thoughts, because they *almost* feel equal. Mr. "A" has kept order and pride in his athletic program, making it one the school and town has always been proud of.

Mr. "A", from your co-workers, coaches, fans and mostly your 175 member teenage family — your athletes — we sincerely thank you. We have deeply appreciated your 15 years of dedication to PHS and will always love you for it.

— The Phantom —

The cross country running team competed in 4 meets and improved tremendously from the first meet. The girls came up with a win in the second and third meets. The boys were defeated in

the second meet but were victorious in the third one against Black River. Both teams were again defeated by Westside, but the girls only lost by a slim margin and the boys faced grueling competition.

Varsity Soccer

The varsity soccer team had a terrific season. They won the state finals by beating BFA 1 — 0 and ended their campaign with a 12 — 2 — 3 record. Two players — seniors John Gray and

Chuck Sule — were named MVL All-Stars. "Kixie" Austin will be coaching again next year and is hoping for another "state final" team.

With their returning coach Jean Crosby the girls had a fine year. They had lost only two players and, as a result, had fewer position changes to

deal with this year. They ended the season with a respectable record which didn't take them to the play-offs, but hopefully next year they'll go.

JV Soccer

The JV boys had a great season while being coached by Dave Buskey. Their record was 8 — 2; their only losses were to Burr and Burton and Fair Haven. They are hoping to have just as good a record next. Although they will be losing a lot of players the junior high will supply them with much new talent.

JV Field Hockey

The JV girls were coached by Jean Crosby, compiling an excellent record of 6 — 2. The girls showed a good display of coordination and skills. Many players will be moving to the varsity and new talent gleaned from the junior high. Look for an improved record next year.

JV and Varsity Cheerleading

The varsity and JV cheerleaders did a fine job of expressing their spirit throughout the basketball season. The captains of the varsity squad were Di Anderson, Ann Loso, and Geri Matusiak while Cathy Supancic captained the JV's. Janice Liberty coached both teams.

Varsity Girls Basketball

The girls made it to the play-offs this year with a 10 and 11 record. They lost the first game to Thetford. The girls were coached by James Wolyneec and captained by Sandi Senecal.

Freshman Reeny Triller and senior Sandi Senecal were awarded MVP at the Black River Tournament. They are hoping for another play-off position next year.

Varsity Boys Basketball

Even though it was mainly a build-year for the boys after losing many players, they still made it to the play-off. They lost the first game to Poultney with a very close score.

They were coached by Sam Ezzo. John Gray was named to the MVL All-Star team. This year's team was young which means many returning players.

John Gray

JV Boys' Basketball

The JV boys, coached again by Kevin Keefe, had a building year. They compiled a record of 7-13 but took home the first prize trophy at the West Rutland Tourney by beating OV the first night and Mill River the second night.

Kneeling, B. Adams, K. Ratti, R. McPhee, S. Anderson; Standing, J. Fiske, R. Anderson, Z. Horvath, W. Trombley, K. Thompson

Sitting, K. Russell; Kneeling, R. I. M. Curtis, A. Jones; R. 2, S. Erickson, M. Smith, E. Tilden; Standing, D. Peters, L. King, N. Izzo, L. Tillberg, Coach Buskey

JV Girls' Basketball

Coached by Dave Buskey the JV girls concluded their season with a 4-10 record. They will be rebuilding ranks with team members lost to varsity and a new crop from the Junior high joining the JV squad.

All-Sports Banquet

The annual all-sports banquet, sponsored by the Proctor Boosters, was held to honor PHS coaches and athletes.

The Buzzell-Gallus Memorial Award was given this year to Joe Stratton who demonstrated qualities of sportsmanship and unselfish contribution to team success. The award was one of many presented to athletes.

In addition to recognizing students, this year's banquet also honored athletic director Bob Abrahamson who is resigning after ten years of service.

Golf

The standing record of this year's team was 1-7 with the one win over Bel-lows Falls. The team had a 16-game season, using the Proctor-Pittsford course for home games.

The golf team, coached by James Wol-ynee, consisted of F. Weidman, C. Zani, L. Fredette, G. Santoro, W. Allard, J. LaFrance, R. Anderson, K. Rantanen, and S. Anderson.

Varsity Baseball

Winning their last 7 straight games the Phantoms, under Wade Mitchell's coaching, finished their season on the positive side. Seeded second in Division III tournament play, the 12-3 club won against Poultney in the playoffs and against West Rutland in the quarter finals. The team romped to a 10-3 victory over Oxbow in the semi-finals but came up one victory short when defeated 1-0 by Lyndon Institute in the finals.

The highlights of the regular season came at B.F.A. of Fairfax when the Phantoms stopped the Bullet's 32-game winning streak by one run with a final score of 7-6.

Varsity Softball

Although the varsity girls ended their season with a 1-14 record, the Phantom power showed through. Good fielding and hard hitting showed the true effort of each team member. Seniors Linda LaFrance, Debbie Trombley, Tina Varga, Kathy Triller, Paula Visi, and Captain Sandy Senecal leave after a busy 14 game schedule. Coach Carolyn Dorr opened the season enthusiastically and ended it the same way — with great expectations for next year's young team.

JV Softball

The JV girls held the best record in girls' sports this spring, ending the season with a 9-1 record. Hustling through their games and scrimages, the rowdy phantomettes banged out numerous hits and ran up a tally of many runs. Coach Pam Shostak, who also coached the JVs last year, confidently led the girls through their hard-hitting season.

JV Baseball

Although the JVs lost their last game to Rutland, the team nevertheless had a fine season with a final record of 5-5. Led by the efforts of varsity players Kevin Ratti, Bruce Adams, and Zollie Horvath and JVs John Fiske and Mike King, the team played excellent ball throughout the season. Coach Dave Buskey was very pleased with the effort his team put forth during the season.

Boy, were kids energetic in 1954! Either that or ads were inexpensive and their time was not spent doing a lot of other activities. The 1954 yearbook had 38 pages of advertising — over half the book. Everyone knows how the cost of living has grown, explaining the smaller number of ad pages for the same Money in this book. We'd like to thank all of our patrons for their generosity.

Well, there it is — Proctor High School 1978-79. Many things have changed in 25 years — the enrollment, the number of activities, the equality of women in athletics, and most important, the addition of students from Chittenden and Rutland Town. Without these students Proctor High School wouldn't be what it is today.

Farewell to 1979!
